🎓 EDUCATION

B-Tech In Information Technology   06/2018 – 05/2022
Kcc Institute Of Technology And Management   Greater Noida, India

💼 PROFESSIONAL EXPERIENCE

SimplifyNote Pvt. Ltd. ↗   09/2023 – 11/2023
Frontend Developer Internship   New Delhi, India

- Collaborated closely with the product team to design and **implement onboarding pages** that provided clear and concise instructions for setting up **the Chrome extension**.
- Developed interactive and **engaging user interfaces** to ensure **a smooth onboarding process**, enabling users to quickly grasp the **extension's functionalities**.
- Implementing and styling interactive elements such as **modals** and **color boxes** to enhance user interactions and overall user experience.
- Optimizing the extension's performance to ensure efficient and **smooth functionality**.
- Integrated **event handlers and user interactions** within modal components to capture user inputs and **trigger relevant actions**.

DollarBird Technology ↗   04/2022 – 06/2022
UI Developer   Mysuru, Karnataka, India

- **Developed** a **mobile-responsive UI** for the **e-commerce platform**, increasing mobile sales by 25% in 6 months and saving customers 10+ seconds on average per transaction
- **Optimized** the **landing page UI**, resulting in **improved user engagement** and conversion rates.
- **Created** front-end web pages using **HTML5, CSS3, Bootstrap, JavaScript, and React.js**.
- **Enhanced** user experience by implementing **interactive features** and intuitive navigation.
- **Improved** website performance by optimizing code and **reducing page load times**.
- **Streamlined** processes by implementing automation techniques, resulting in **increased efficiency**.
- **Integrated** third-party **APIs** to enhance functionality and improve data synchronization.

📁 PROJECTS

ReactFolioX ↗

- I developed a **personal portfolio** website using **React**, showcasing **my skills**, **projects**, and **experiences** in **web development**. The website features a **modern and responsive design**, providing a seamless user experience **across devices**.
- **Designed** and implemented a clean and intuitive user interface **using React components and styling libraries**.

HexaWare UI ↗

- Developed a Hexaware clone UI page **utilizing HTML, CSS, BootStrap, and JavaScript.**
- Implemented **Swiper** to enable seamless **image carousel functionality**, enhancing user engagement.
- Ensured data accuracy and **user input validation with Form Validation.**
- Enhanced security measures and user experience by integrating a **Captcha refresher feature**.
- Demonstrated proficiency in frontend technologies to create **visually appealing, interactive, and responsive web pages.**
